

Sample Script for Amateur Radio Net (this is one option):

DATE: _____

[Start on 146.91]

Good evening. This is club W0SW (Whiskey Zero Sierra Whiskey). My name is _____ and my call sign is _____.

I am tonight's net control for the Willmar Area Emergency Amateur weekly radio net. This net is held weekly on Sunday nights at 7:00 p.m. starting on the 146.91 repeater and then switching to test the 147.03 repeater. This net meets to test equipment and let members and non-members exchange information as well to make club announcements and handle any message traffic.

Is there any emergency traffic before we begin taking check-ins [Listen a few moments before taking check-ins]

Anyone wishing to check into the net, please give your call sign twice, once phonetically, followed by your name and location and any messages or traffic you may have for the group.

Are there any other stations wishing to check in? (Continue taking check-ins)

Last call for anyone wishing to check in to the Willmar Area Emergency Amateur Radio Club net?

(Give any announcements and/or reminders of the next net, meetings, etc.) Remember to check the clubs website at [www.willmarareaeear.org] where you can find out how to sign up for text reminders.

Thank you for checking in. By my count we had _____ check-ins. (After testing on the 146.91 repeater, announce that you'll be closing this net, and starting a new net on the 147.03 repeater) The Willmar Area Emergency Amateur Radio Club net is now closed and this repeater is turned back to regular amateur use. Thank you again for your participation. This is _____ (Your call sign) clear.
